INDUSTRY DEVELOPMENT PROGRAM

## Notice to the Industry

### 2019 Stallion Enrolments

Stallion Owners are reminded that 2019 Stallion Applications are due January 15, 2019 in order to avoid late fees. Stallions must be enrolled in the Quarter Horse Racing Industry Development program for their offspring to be designated as Ontario Sired.

**Active (breeding) stallions may enrol up to January 15, 2019 at no fee. After January 15, there will be a \$200 late fee to enrol an actively breeding stallion. This includes breeding with frozen semen from inactive/gelded/deceased stallions.**

Inactive stallions (not breeding in 2019) may enrol up to 15 days after the end of racing to be eligible for program benefits such as Stallion Awards.

An updated Application to Accredite an Ontario Stallion form is available on the Ontario Racing website, [www.ontarioracing.com](http://www.ontarioracing.com).
