

AGCO-Stakeholder Working Groups Membership List

Moving Ahead: Horse Racing Regulation in Ontario

INFORMATION BULLETIN No. 42

May 5, 2017 – The Alcohol and Gaming Commission of Ontario (AGCO) announced its intent to establish the 'Moving Ahead: Horse Racing Regulation in Ontario' AGCO-Stakeholder Working Groups on February 21, 2017. The announcement included an open call to the Horse Racing industry for membership in three Working Groups to review and make recommendations for policy reform in the following areas:

- Equine Drug Program
- Officiating
- Health and Safety (Equine & Human).

The AGCO is pleased to announce the following representatives have been selected to participate in the Equine Drug Program and Officiating Working Groups:

Group	Equine Drug Program	Officiating
Industry Names	Bill O'Donnell Bob Broadstock Brett Anderson Brian Tropea Brian Van Arend Chris Huarte Gayle Sommer Greg Gangle Jack Darling Jamie Martin Mark Beaven Mike Chopowick Peter Berringer Rene Hunderup Sue Leslie	Bill Manes Bill McLinchey Dan Gall Daniel Vella Emma Jayne Wilson Erik Lehtinen Erik Potek Greg Blanchard Jessica Peatling Jody Jamieson Mark Horner Mike Chopowick Rene Kierans Rob Landry Robert King Steve Lym

These Working Groups are comprised of a broad range of industry positions, industry associations, licensees as well as AGCO representatives. Three to five meetings will be held approximately once a month from May to August, 2017. The Canadian Pari-Mutuel Agency (CPMA) will also be included in the discussions in the Equine Drug Program Working Group.

The membership list for the Health and Safety (Equine & Human) Working Group will be released in the late summer prior to the first meeting.

As the Working Groups progress, key updates will be available through our website at www.agco.on.ca.

The AGCO would once again like to extend its sincere appreciation to the many stakeholders and industry participants that have committed their time, effort, insights and energy to this project to date. We look forward to a series of interesting and productive discussions.
