

NEWS FLASH!

NEW OWNER MENTORING PROGRAM

The SBOA is excited to announce that the highly successful New Owner Mentoring Program will be forming a new stable in time for the 2017 yearling sales.

For an investment of \$4,500 nine people will have the unparalleled opportunity to be mentored by leading trainer Blake MacIntosh and the SBOA as they select an interest in a few Ontario-sired yearlings from the London Selected Yearling Sale and train them through the winter in preparation for the 2018 racing season. This program offers racing enthusiasts a great way to enter the sport of harness racing!

ENHANCED BREEDERS REWARDS PROGRAM

Once again, the SBOA is pleased to allocate \$1 million to the Tier 1 Breeders Incentives to be paid out on a pro rata basis — as determined by the advertised service fee of the Ontario Sire (recorded with the OSS for the 2016 breeding season) — for all 2017 foals registered by December 31, 2017 that are both Ontario Sired and Ontario Bred.

In order to be eligible for the Tier 1 Breeders Incentives, all mares must be enrolled in and meet the requirements of the Ontario Resident Mare Program for the 2017 foaling year. The late enrolment fee for any mare enrolled in the Ontario Resident Mare Program after her foaling date will be \$300, payable by September 1, 2017. Definitive proof that the mare met the requirements of the Program will be required if enrolling after the foaling date.
