## HISTORY, STRUCTURE AND ADMINISTRATION

The Ontario Sires Stakes (OSS) Program was established in 1974 to promote the breeding of Standardbred horses in Ontario and provide economic incentives for breeders, owners and trainers to breed, buy and race horses in Ontario. The OSS is part of the Standardbred (SIP) component of Ontario's Horse Improvement Program (HIP) which was established in 1968.

The Ontario Sires Stakes is an incentive program, providing support for the Ontario breeding community.

The OSS is split into two tiers of racing – a Grassroots Series and a Gold Series. Each tier has a series of races for two- and three-year-old trotters and pacers. Further description of the different series can be found on pages 4-7.

To be eligible to the OSS, foals must be sired by a stallion standing in Ontario and registered with the OSS Program for the breeding year. A nomination payment is due in the horse's yearling year. To maintain its eligibility, sustaining payments are due in the two- and three-year-old seasons if the horse is expected to race in the OSS.

The 2017 OSS Program was developed by the Standardbred Advisory Group, which is made up of representatives of the racing and breeding community, who are tasked with providing input and recommendations on Program components.

Since the dissolution of the Ontario Racing Commission on March 31, 2016, administration of the HIP Program is now being carried out under the new industry organization, Ontario Racing (OR).

Ontario Racing is responsible for directing breed improvement programs, setting an annual program of races and purses, attracting new horse owners, building a fan base and connecting the industry with government and the general public.

OR serves as the voice of the horse racing industry and works closely with the Ontario Lottery and Gaming Corporation (OLG) towards the integration of horse racing into OLG's gaming strategy.

OR serves as the Program Administrator for the Standardbred (SIP) (which includes the OSS Program) and Thoroughbred (TIP) Horse Improvement Programs components of Ontario's Horse Improvement Program (HIP), as well as the Quarter Horse Racing Industry Development Program (QHRIDCP).

## PROGRAM

Ontario Racing (OR), as Program Administrator, reserves the right, in its sole and absolute discretion, to make any adjustments, changes or cancellations as deemed required. By participating in the OSS Program, the participants acknowledge and agree that OR will not be held liable for any costs associated with any changes to the OSS Program.

All OSS races shall be conducted in accordance with the 2017 Rules of Standardbred Racing and individual track rules approved by the Alcohol and Gaming Commission of Ontario (AGCO). Racetrack retention barn rules may apply. All participants are strongly advised to make themselves familiar with rules specifically related to the OSS.

Gold and Grassroots events are numbered 1 through 5 and horses are eligible to be entered in EITHER the Gold **or** Grassroots event of the same number, but NOT BOTH. Because in each category there are six Grassroots events as opposed to five Gold events, two of the Grassroots events will have the same number and will be referred to as either "A" or "B". Example: If the third and fourth Grassroots events are numbered 3A and 3B, horses entered into the Gold #3 event will have to miss both Grassroots 3A and 3B.

## NEW IN 2017

- Starting Fees for OSS races will now be added directly to the purses for each event. The Horse Improvement Program (HIP) will contribute \$180K to each Gold event with more than one division. The \$800 Starting Fees will then be added to determine the purse for each division. For example, if there are 2 divisions, a 10-horse field will compete for a purse of \$98K. In the event of only one Gold division, the HIP Contribution will be \$117K. The Starting Fees will then be added, making the purse \$125K for a 10-horse field
- The \$350 Starting Fees will also be added to the purses for Grassroots events. The HIP contribution will be \$16K for each Grassroots division with a maximum HIP contribution of \$80K for 2-year-old pacing events and \$64K for all other Grassroots events. Therefore, a 10-horse field with 4 or less divisions (5 for 2-year-old pacers) will have a purse of \$19,500
- OSS races will be conducted with the maximum field sizes allowed. See page 9 for details.

- The \$2M Owners' Bonus for 2- and 3-year-olds that are ONTARIO SIREN and/or ONTARIO BRED (mare was enrolled in the Ontario Resident Mare Program) will be in effect in 2017. The Bonus will be calculated according to the horse's earnings in overnight races in Ontario. Horses that are both ONTARIO SIREN and ONTARIO BRED will receive double the bonus. This bonus will be paid in January of 2018
- The purse for each Gold Super Final will be \$225,000
- Grassroots Semi-Finals and Ontario Sired Rewards have been eliminated from the OSS Program
- Details on the Ontario Bred Rewards on OSS and selected Open Stakes earnings can be found on Page 10

## GOLD SERIES

The Gold Series will consist of 40 Gold Legs; 5 events for each of the eight categories for age/sex/gait. As stated, Gold and Grassroots Series events will be numbered and horses cannot be entered in a Gold and a Grassroots event of the same number.

If more horses declare to start in an event than is permitted at that track, the event shall be split into the appropriate number of divisions with entries seeded by lot.

The HIP portion for each Gold event requiring more than one division will be \$180,000 split between the required number of divisions. The \$800 Gold Starting Fees will be added to the HIP portion to determine the purse for each division. In the event of only one division, the HIP portion will be \$117,000 and the Starting Fees will be added to it, making the purse \$125,000.

Horses will earn points in each of the 5 Gold Legs to qualify for their Gold Super Final. Point standings are updated daily on the Standardbred Canada computer system and on the OSS website.

## Gold Super Final Rules

Each of the 8 categories of age, sex and gait will have a Gold Super Final for the top point earners.

After the last scheduled Gold Leg, the top ten point earners entered in each age, sex and gait category will compete in a Gold Super Final for a purse of \$225,000.

Any horse may be entered into its respective OSS Gold Super Final, provided it has started in a minimum of 2 Gold Legs in the current year OR has earned a minimum of 50 points in the Gold Series in the current year.

There will be no Starting Fee for the Gold Super Finals.

Points are awarded in Gold Legs as follows:

<b>first place</b>	50 points	<b>fifth place</b>	5 points
<b>second place</b>	25 points	<b>sixth place</b>	3 points
<b>third place</b>	12 points	<b>seventh place</b>	2 points
<b>fourth place</b>	8 points	<b>eighth place</b>	1 point

In the event of a dead heat, the points for the positions involved will be shared evenly between the horses finishing in the dead heat.

Points are updated daily on the Standardbred Canada computer system and on the OSS website.

In the event of a tie in the point standings, horses will be drawn by lot after the box closes.

The two "Also Eligible" horses will be the 11th and 12th highest point earners declared in. In the event of a tie in the point standings for the "Also Eligible" horses, they will be drawn by lot.

Any horse may be entered into its respective Gold Super Final or Grassroots Championship, but it cannot be entered into both, unless it was "Also Eligible" and did not draw into the Grassroots Championship.

## GRASSROOTS SERIES

The Grassroots Series will consist of 48 Grassroots events; 6 events for each of the 8 categories for age/sex/gait. Gold and Grassroots Series events will be numbered and horses cannot be entered in a Gold and a Grassroots event of the same number.

If more horses declare to start in an event than is permitted at that track, the event shall be split into the appropriate number of divisions with entries seeded by lot.

The HIP portion for each Grassroot division will be \$16,000 with a maximum HIP contribution of \$80,000 for 2-year-old pacing events and \$64,000 for all other events. The \$350 Grassroots Starting Fees will then be added to the HIP portion to determine the purse for each division.

Horses will earn points in each of the six Grassroots events throughout the season to qualify for the Grassroots Championships.

### Grassroots Championship Rules

Each of the 8 categories of age, sex and gait will have a Grassroots Championship race for the top point earners.

After the last scheduled Grassroots event, the top point earners entered in each age, sex and gait category will compete in a Grassroots Championship for a purse of \$50,000.

A horse must start in a minimum of 2 Grassroots Series events to be eligible to enter the Championship.

There will be no Starting Fee for the Grassroots Championship races.

Points will be awarded in all Grassroots Series races as follows:

<b>first place</b>	50 points	<b>fifth place</b>	5 points
<b>second place</b>	25 points	<b>sixth place</b>	3 points
<b>third place</b>	12 points	<b>seventh place</b>	2 points
<b>fourth place</b>	8 points	<b>eighth place</b>	1 point

In the event of a dead heat, the points for the positions involved will be shared evenly between the horses finishing in the dead heat.

Point standings are updated daily on the Standardbred Canada computer system and on the OSS website.

The number of starters allowed to compete in each Grassroots Championship shall be governed by the number of horses that the host track can accommodate on the starting gate. However, there will always be a minimum of 8 horses drawn for each Championship.

In the event of a tie in the standings, horses will be drawn by lot after the box closes.

The two "Also Eligible" horses will be drawn from the next highest point earners declared in. In the event of a tie in the standings for the "Also Eligible" horses, they will be drawn by lot.

Any horse may be entered into its respective OSS Gold Super Final or OSS Grassroots Championship, but it cannot be entered into both, unless it was "Also Eligible" and did not draw into the Grassroots Championship.

## RULES OF STANDARDBRED RACING

### Highlights Pertaining to OSS

#### Rule 11.02.01 (Qualifying Times)

If a horse meets the conditions of Rule 11.01 it will be considered qualified and eligible to be declared to added money event races provided that one of its last three charted lines is a clean line in a purse, qualifying or schooling race, not more than forty-five (45) clear days before the closing of declarations and its individual time in that clean charted line meets the following standards for age and the size of the track where it raced or qualified after the judges have given appropriate allowances for track conditions on that day.

Age & Gait	Track Size		
	half mile	5/8 mile	7/8 mile or greater
2 year old pacers	2:03	2:01	2:00
2 year old trotters	2:09	2:06	2:05
3 year old pacers	2:00	1:58	1:57
3 year old trotters	2:05	2:02	2:01

## Rule 11.02.02

Notwithstanding the provisions of 11.02.01, no horse shall be considered qualified and eligible to be declared to added money event races if that horse, since having obtained the clean charted line referred to in 11.02.01, is required to qualify in accordance with the rules, including Chapter 12 where applicable, or is on the Judges' List or is otherwise ineligible to race.

## Rule 12.09

A horse making a break in or off a qualifying, matinee or schooling race must qualify again unless the break was an equipment break or caused by interference or unless the horse is declaring into an Ontario Sires Stakes event or other added money event.

## Rule 12.10.01

A horse making a break in each of two consecutive races must qualify unless the breaks were equipment breaks or caused by interference.

## Rule 17.15 (a)(iii)

If the horse omitted by error was declared to a stake, futurity, early closing event or late closing event, the race shall be re-drawn provided the error is discovered prior to the printing of the program.

Any questions or inquiries concerning the Rules of Standardbred Racing should be directed to the Alcohol and Gaming Commission of Ontario (AGCO) at 416-326-8700.

## STARTER INFORMATION

### Gold and Grassroots Divisions

OSS Gold and Grassroots divisions will have the maximum number of participants as outlined in AGCO rule 16.24.

- If only one division is required, there will be a maximum of two trailers.
- If two or more divisions are required, there will be a maximum of one trailer.

For OSS races, entries will only be split into multiple divisions when the maximum number of trailers as stated in Rule 16.24 is exceeded.

### Gold Super Finals

There will be a maximum of 10 horses in Gold Super Final events.

### Grassroots Championships

The number of starters allowed to compete in the Grassroots Championships shall be governed by the number of horses the host track can accommodate on the starting gate.

However, there will always be a minimum of 8 horses drawn for each.

## Starting Fee

The Starting Fee must be received in the Race Office of the host track one-half hour prior to post time. Cheques should be payable to "Ontario Sires Stakes". The Starting Fee is still due in the event that a horse must be scratched for whatever reason.

## Racing Conditions

All races shall be conducted in accordance with the rules of the Alcohol and Gaming Commission of Ontario (AGCO) and all participants are strongly advised to make themselves familiar with the rules.

Horses sustained to the OSS program may be subject to testing under the Out Of Competition Program.

Should conditions beyond the control of OR prevent the racing of any event, OR reserves the right to declare the event "off" and to distribute the money and points to the current eligible horses or to transfer the event to another date, or to another track, or to do both.

In the event of a "No Contest" in an OSS race, the purse and points for that race will be split evenly between all unoffending horses.

## Money Division

5 or more starters: 50-25-12-8-5%; 4 starters: 50-25-15-10%; 3 starters: 60-30-10%; 2 starters: 65-35%; 1 starter: 100%.

## Purses

The purse of an Ontario Sires Stakes event includes funds from levies on wagering as well as nominating fees, sustaining fees, stallion levies and starting fees.

## Ontario Bred Rewards

Two- and three-year-old Ontario Bred horses racing in the OSS Program earn rewards under the Ontario Resident Mare Program.

The person who enrolled the mare in the Program for that foaling year will receive the Ontario Bred Rewards.

Ontario Bred Rewards for OSS races are now capped at \$1M and calculated on a pro-rata basis. At the end of the year, the total OSS earnings of all eligible horses will be calculated and the \$1M will then be distributed to individual owners based on their proportional share of the total earnings. Example: If all ONTARIO BRED horses earned \$5M in the OSS Program

and your horse earned \$40,000, you would receive \$8,000 ( $\$40,000/\$5M=.8\%$ ) ( $\$1M \times .8\%=\$8,000$ ).

Ontario Bred Rewards for Open Stakes have been capped at \$130K with an individual cap of 20% of Open Stakes earnings per horse.

Since Ontario Bred Rewards are calculated according to a horse's earnings throughout the season, they will now be paid when the season is over.

## LAMPMAN CUP

The Lampman Cup was established in 1987 in memory of long-time Ontario Jockey Club harness racing publicist Jim Lampman. The Cup is annually presented to the leading driver in the Ontario Sires Stakes based on the following point system:

One point is awarded for each OSS start; four extra points are awarded for a win; three extra points for a second; and, two extra points for a third.
