## List of Registered Ontario-Bred Thoroughbreds 2010 Foaling Year

The 2010 foals of the following mares have been recognized by Ontario Racing Management, based on approval of the mares by the Thoroughbred Improvement Program (TIP) where those mares are considered recognized Ontario Resident Mares for the 2010 foaling year.

In order for a horse to be declared a Registered Ontario-Bred and to receive the Ontario-Bred benefits under TIP:

- 1) The horse's dam must have met all the requirements of the program and be accepted by the Program Administrator (ORM) (Added to the List of Recognized Mares), and
- 2) The horse must be registered with the CTHS.

Total = 1259 foals
