## **Notice to the Industry Ontario Resident Mare Program**

As a result of the Covid-19 Pandemic, Woodbine Entertainment is temporarily operating on a limited basis.

Beginning April 4, the Ontario Resident Mare Program (ORMP) will not be staffed until further notice.

A mare may be enrolled in the Program a \$100 fee before she foals. If enrolled after she foals, the fee is \$300 and third party proof of residency in Ontario 180 days surrounding foaling must be provided.

While the office is closed, it is recommended that mare enrolments be sent by Canada Post with payment by cheque or money order enclosed. The enrolment will be accepted using the postmark date as proof of enrolment before foaling.

Alternatively, the enrolment form may be emailed or faxed and the enrolment will be accepted as of the date received, provided that payment is made within seven (7) days of the re-opening of the office.

Enrolment forms may be found on the Ontario Resident Mare Program page of the Ontario Racing website at [ontarioracing.com](http://ontarioracing.com).
